The Honorable Norman S. Paul
Under Secretary of the Air Force
Department of Defense
Washington, D. C.

Dear Norm:

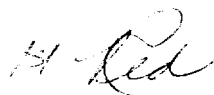

It is impossible for me to express my deep appreciation for the prompt and highly satisfactory action you took in case.

STAT

I was amazed when I saw you yesterday to learn that you had caused all the necessary research to be done and that the problem seemed well on the way to a satisfactory solution. I had thought that this kind of expediting took place only in CIA; it speaks well for the training you got here!

Most seriously, we are deeply appreciative. I telephoned shortly after my return from your office, and her faith in humanity and particularly in the Air Force has been restored. I cautioned her not to go shopping just yet but did tell her that I thought we had every reason to be optimistic.

Sincerely,

L. K. White
Executive Director-Comptroller
